

2023 Houston Colony Scholarship - Texas Society of Mayflower Descendants

January 2023

The Houston Colony Scholarship - Texas Society of Mayflower Descendants has been established to assist deserving descendants of SOMD members in acquiring higher education, with a view to their becoming better prepared for life and citizenship.

In the spirit of the Mayflower settlers seeking to better themselves by moving to a new and uncharted world, special consideration will be given to applicants who have demonstrated commitment to bettering themselves and who will likely benefit from a scholarship.

A \$1,620 scholarship award will be paid directly to the college, university, or community college in which the graduating senior student has been accepted for enrollment. The award will go to assist the student's payment for tuition and books only. If a student selected for the scholarship fails to enter a school of higher learning, then they will forfeit the scholarship. The scholarship may then be awarded to the runner up at the discretion of the Houston Colony Scholarship - Texas Society of Mayflower Descendants Selection Committee.
