Imagine that you are a 16–18-year-old member of the new Plymouth Colony in the autumn of 1621. The community has just celebrated a harvest festival, which inspired today's Thanksgiving holiday. The harvest is a welcome relief after 50 people died of starvation this past winter, including whole families and some of your friend's parents. Your assignment is to compose a letter to send to your friends or family members in England or Holland describing the celebration. Be thoughtful and in depth about your thoughts, feelings and behaviors at the celebration, including attitude towards Massasoit and the friendly indigenous people.
