

PRAYER OF REMEMBRANCE AT THE ALAMO

God of our ancestors, in this sacred place where courage met sacrifice, we pause in reverent remembrance of those whose stories are etched into the soul of this land.

We remember George Washington Cottle and Dr. Amos Pollard - Mayflower descendants who gave their lives at the Alamo. We remember also young Benjamin Franklin Highsmith, who survived the siege and bore witness to the cost of freedom.

For their bravery, for their hope, for their willingness to stand even unto death, we give You thanks.

As their spiritual descendants, may we, too, live lives of conviction and honor. May their memory remind us that liberty is a trust, not a possession - that we are called to use our freedom for good.

Bless this moment of remembrance. May it strengthen the bonds between us and remind us of the shared heritage that unites us, even across centuries.

In the name of the One who is the Lord of all nations and the God of all people, we pray.
Amen
